

Wir können Alles außer Hochdeutsch

Dear Ladies and Knights,
Dear friends from near and far away,

Together with BK Germany 13, on 25.-27.06.2021 we will organize a meeting, to which we would like to invite you. At this time Germany 2 will also be honoured to celebrate its 30th anniversary with you.

For the meeting under the motto "We can do everything except Hochdeutsch", we have reserved the Oberdorf on the edge of the Swabian Alb in the holiday village Tieringen. For the accommodation we have 9 x 8-bed houses and 16 x 6-bed houses available, i. e. a total of 168 beds. They are exclusively twin rooms, with some single double beds and but mostly bunk beds. The staff of the holiday village will provide (in the centrally located main building) for your physical well-being in the form of breakfast and dinner. There is also an indoor swimming pool, which can be used after consultation with staff.

CAUTION: Dogs are not allowed on the premises.

2x overnight stay in a double room + 2x breakfast + 2x dinner = 125 €
(a small donation bonus is included in the price). The indoor swimming pool can be used after registration. Bed linen is included in the price. **Towels are to be brought with you.**

Meeting-Shirt

For the meeting we also offer a commemorative T-shirt (Logo and motto) at the price of 18€.

Sample

Besides the usual T-Shirt version, we also offer it as a Lady-Shirt. You can order and pay for this with your registration.

Please note when ordering that the shirts are larger than normal. It has been shown that for normal American sizes (i.e. S/M/L/XL etc) one size smaller is sufficient. If the ordered size is not suitable, it can of course be exchanged at the meeting.

Programme

In addition to the “cosy” evening meeting with canned musk on the grounds of the holiday village with drinks and bar service, we will offer on Saturday several excursions in and around the Swabian Alb as well as a “replacement programme” without motorcycle. Of course, we will also open our traditional barbecue station with steaks and sausages from the region in the evening for the “Latethungers.” The programme details can then be found on the signposts at the central building in the holiday village.

Donation

Most of the profits are donated to the “Stiftung des Feriendorfs Tieringen.” This foundation enables socially vulnerable or otherwise handicapped families (e. g. with severely ill children) to spend a holiday together in the holiday village. In addition, both Chapter Germany 2 and Germany 13 have been supporting their own social projects for years, which will also receive part of the profit as a donation.

We therefore ask the Chapter to refrain from guest gifts and instead to support our donation with a small monetary contribution.

In this sense, we are looking forward to numerous registrations from near and far.

Ride with Pride
